**A RESOLUTION OF THE TRANSPARENCY, RELIABILITY AND ACCOUNTABILITY COMMITTEE OF THE CITY OF MIAMI BEACH, FLORIDA RECOMMENDING TO THE CITY COMMISSION THE INVESTIGATION AND PROCUREMENT OF A FLEET-WIDE VEHICLE LOCATOR SYSTEM.**

**WHEREAS**, the City of Miami Beach has undertaken to procure and implement an integrated computer-aided dispatch system, records management system, fire records management system and mobile computer solution for the City's Police and Fire Departments (the "Locator System"); and

**WHEREAS**, the Transparency, Reliability and Accountability Committee ("TRAC") has considered the scope of the system specified; and

**WHEREAS**; TRAC has concluded that expansion of the specified system to the entirety of the City's fleet would enhance the transparency, reliability and accountability of the mobile components of the City's departments.

**NOW THEREFORE, BE IT DULY RESOLVED BY TRANSPARENCY, RELIABILITY AND ACCOUNTABILITY COMMITTEE** that it recommends to the Mayor and City Commission to direct the City Manager to analyze the appropriate scope, costs and funding for expanding the locator system to the City's entire vehicle fleet and prepare a report and recommendation to the commission.
