SUBJECT: TPC Motion – Posting of Rates for Public/Private Garages and lots

Dear Mayor and Honorable City Commission:

On July 12, 2010, the Transportation and Parking Committee met and held a discussion regarding amending the City's ordinance to require posting of rates at street level.

The below motion was passed:

The Transportation and Parking Committee recommends for City to amend ordinance to require public and private garages and parking lots to post rates at street level, so that vehicles can see rates before having to pull into garage.

As an Advisory Committee, we sincerely ask that consideration be given to the above motion.

Sincerely,

Transportation and Parking Committee
