SMART PARKING

WHAT IS SMART PARKING?

- Gets Driver to Destination without Searching for Parking
- Gives Real-time Data for Parking Availability
- Provides Routes to Parking Garages / Lots
- Simplifies Parking Payment
- Provides Parking Costs

WHY IS THIS IMPORTANT?

Up to 30% of Congestion in Urban Areas is Caused by Motorists Searching for Parking

HOW DOES SMART PARKING WORK?

THEATER

CIRQUE DU SOLEIL.

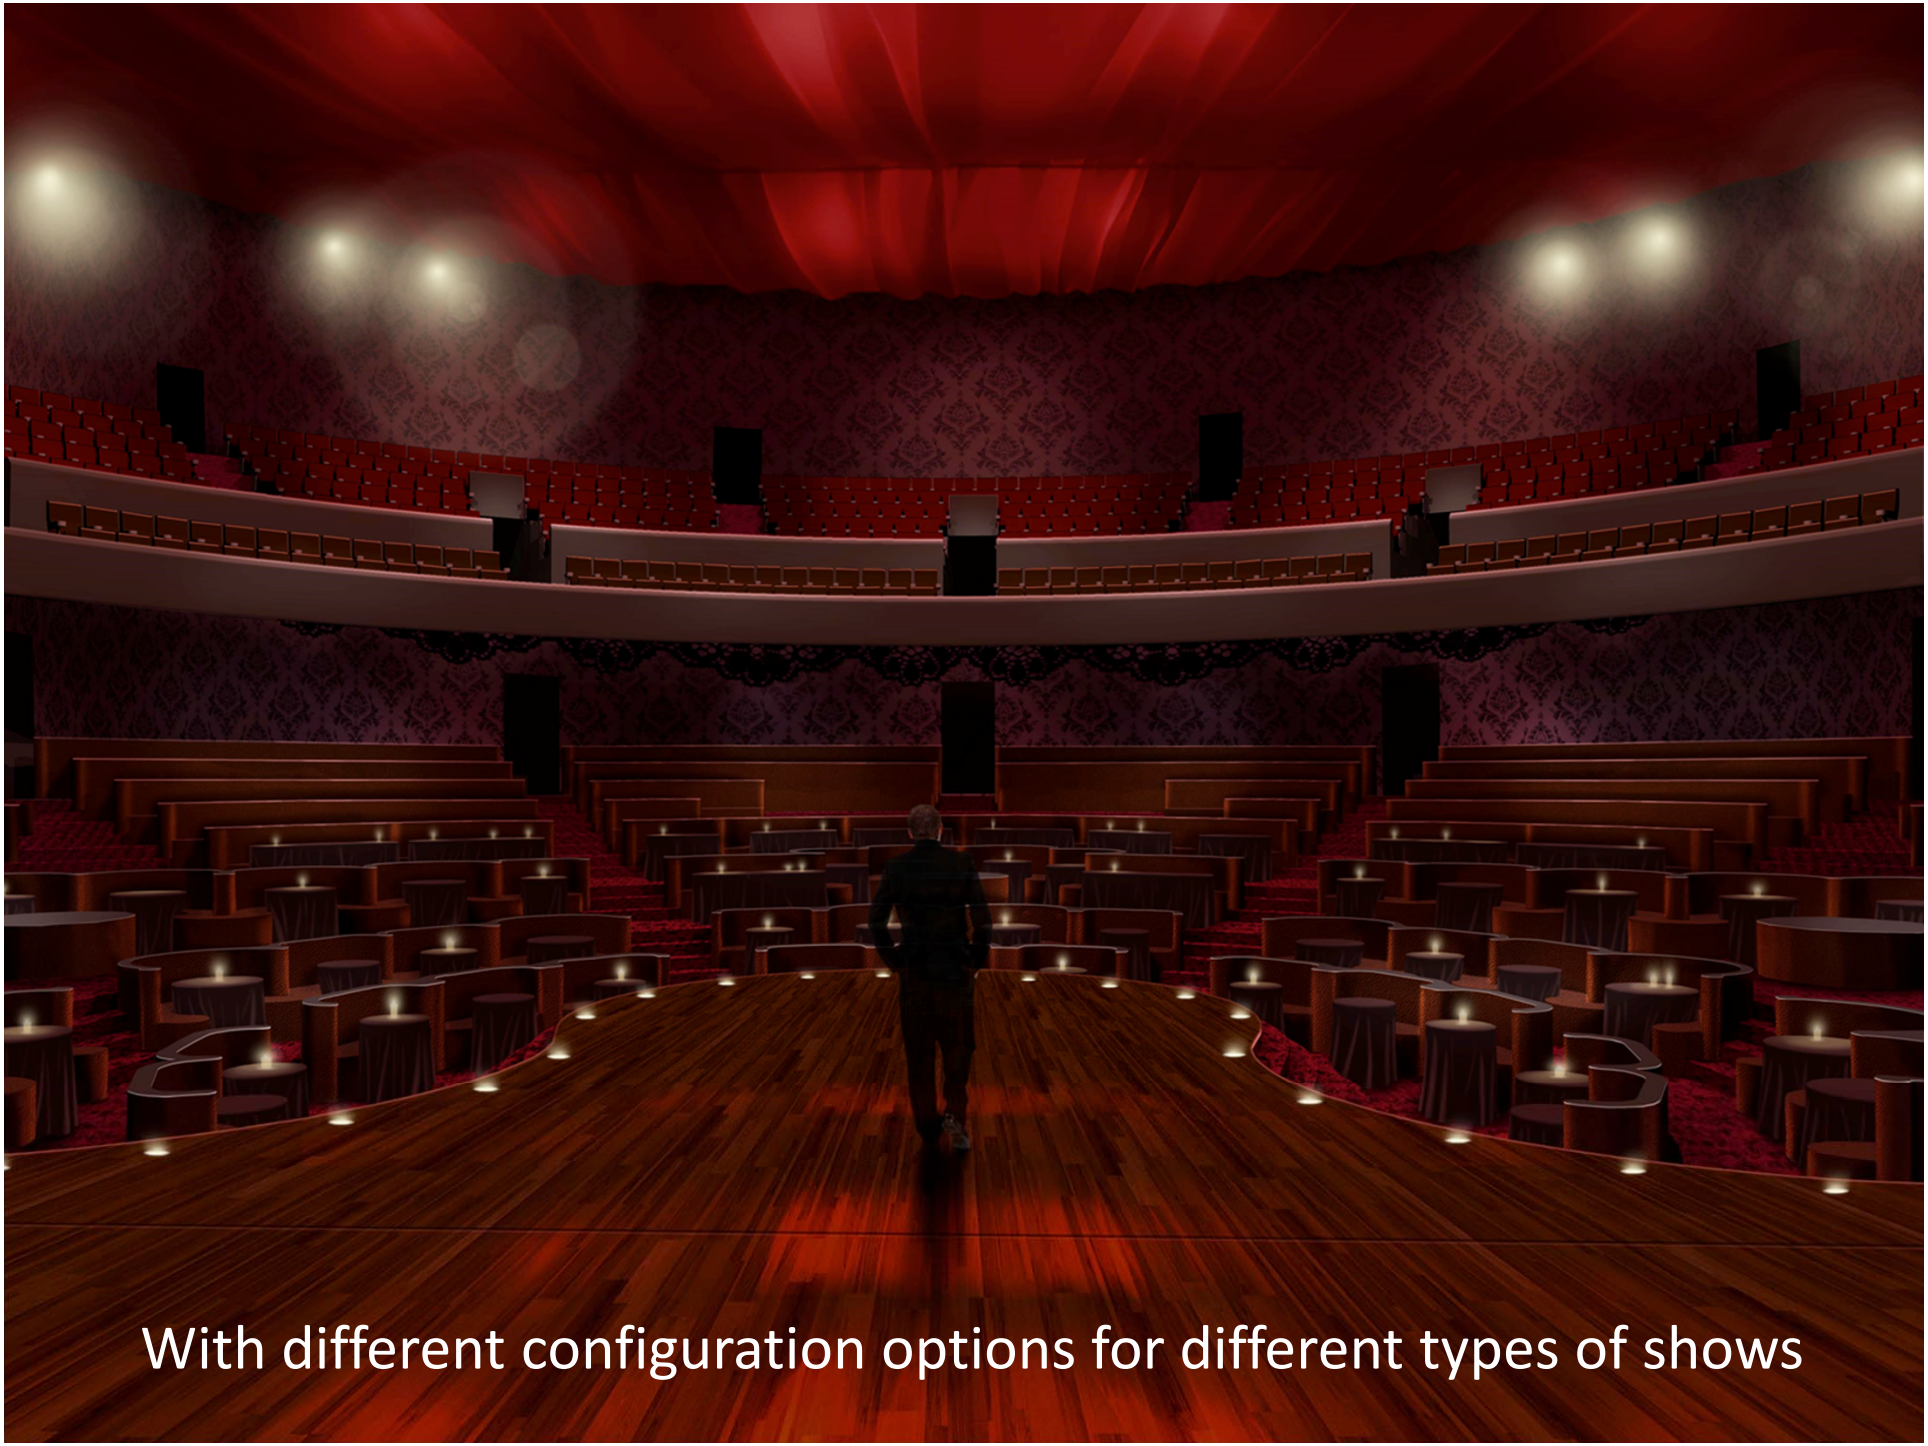
- Entertainment Venue & Cirque du Soleil Performances
- Special Events Services
- Other Opportunities

Miami Beach is a very specific market

We want to bring a variety of content

And a flexible programming

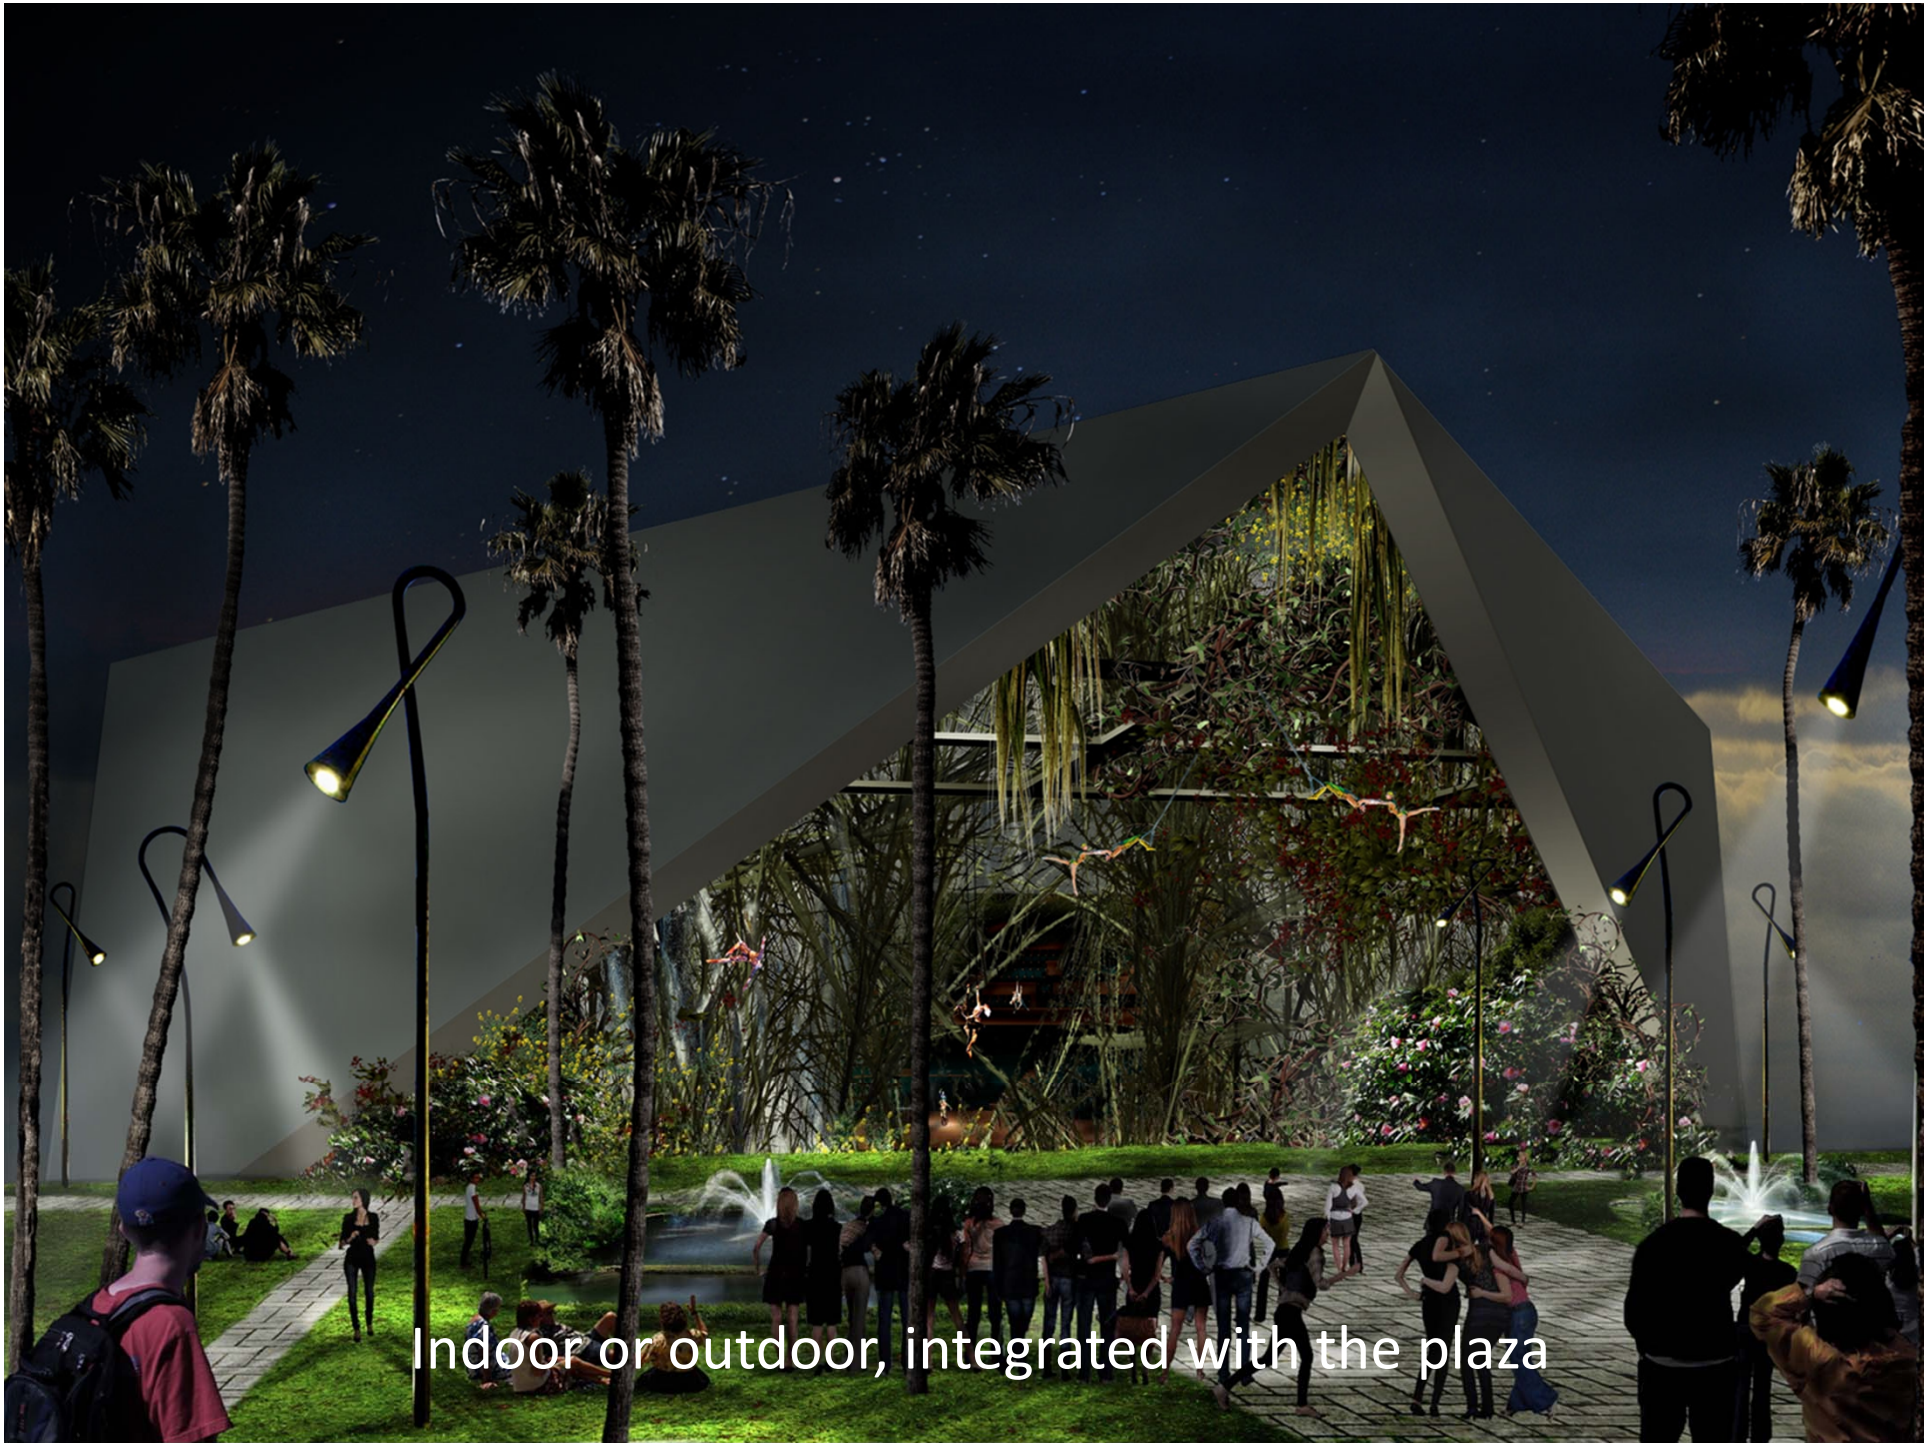
A state of the art multi-functional theatre



With different configuration options for different types of shows

A more intimate space for Cirque du Soleil cabaret-type performances

Possibility of larger capacity for other content



Indoor or outdoor, integrated with the plaza

At night time but also during the day

We are more than a circus

We are a worldwide entertainment content provider

CIRQUE DU SOLEIL.
