Dear Honorable Mayor and City Commission:

A presentation on the ongoing Blueways Master Plan was presented to the Transportation, Parking & Bicycle-Pedestrian Facilities Committee (TPBPFC) on July 7, 2014. This study encompasses all city owned properties along the bay and canals, but does not cover the beaches.

The TPBPFC strongly feels that in order to ascertain a complete picture, the scope of the study should be expanded to include the beaches.

Sincerely,

Transportation, Parking & Bicycle-Pedestrian Facilities Committee
