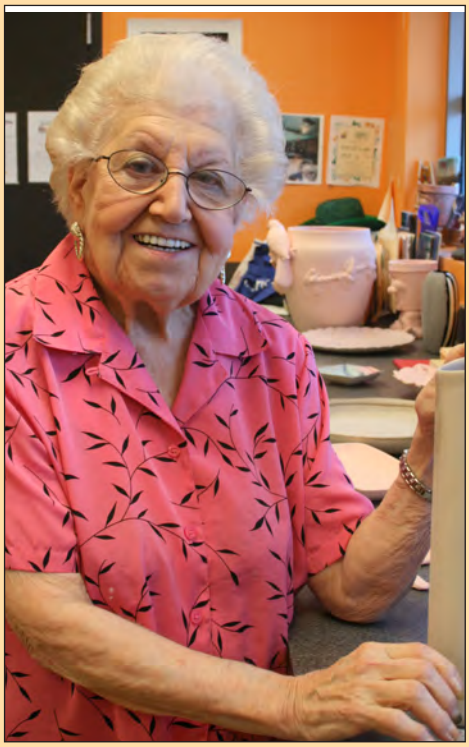
... Wishing Mollie Kafin a Very Happy Birthday!



The Miami Beach Parks and Recreation's Ceramics Program held in conjunction with Miami Beach Adult Education has been on going for over 30 years. Seniors come to North Shore Park to mold, sculpt and paint different ceramic pieces such as animals, mugs and vases.

Mollie Kafin has been a member of the ceramics program since 1978. Mollie still has her first ceramic piece she ever made, a poodle that she adores dearly. When asked what Mollie loves most about ceramics she said "The beautiful people that attend ceramics", and her motivation is "The fact I wake up another day keeps me going".

Mollie's 95th birthday is coming up in September 2008. The NSPYC staff wishes her a very happy birthday!

El programa de cerámica de Parques y Recreo de Miami Beach junto al Miami Beach Adult Education ha existido por más de 30 años. Seniors vienen a North Shore Park a moldar, esculpir y pintar diferentes piezas de cerámica tales como animales, tazas y floreros.

Mollie Kafin ha sido miembro del programa desde su comienzo en el 1978. Ella todavia guarda su primera pieza de cerámica, un perrito poodle el cual adora. Cuando le preguntamos a Mollie que es lo más que le gusta del programa ella dijo "Las hermosas personas que participan en cerámica" y su motivación es "el levantarme cada dia me hace seguir". Mollie cumple 95 años en Septiembre. Los empleados de NSPYC le desean un feliz cumpleaños!

Youth Physical Fitness Challenge

On May 7th and 14th, the City of Miami Beach Parks and Recreation Department hosted its 4th Annual "Go for the Gold" youth physical fitness challenge at Flamingo Park from 3-5:30 pm. The age and gender specific activities included a shuttle run, 50-yard dash, push-ups, curl ups, pull-ups and a quarter mile run. Participants were awarded gold, silver or bronze medals depending on the number of events they completed within the designated score or time.

The Department promotes the benefits of fitness throughout the year and hosts the "Go for the Gold" youth physical fitness challenge every year in May to assess, record and observe the progress of the young participants in the program and to award them with medals for their accomplishments.

El 7 y 14 de mayo, el departamento de parques y recreo de la ciudad de Miami Beach tuvo su 4to evento anual "Go for the Gold" el cual fue un desafío para la juventud en el parque de Flamingo de 3:00 a 5:30 de la tarde. Aloha...

from North Shore Park!

Parks & Recreation imported the Hawaiian Islands to the North Shore Park and Youth Center on Friday, June 27th. The "Loco Luau" consisted of three hours of "Hawaiian Style" fun . There was music to hula dance provided by the Hip Hop Workshop, rides for the children and performances by our summer camp participants. To add to the fun, there was a mobile arcade and seniors sold a variety of knick knacks at their "Seniors' Bazaar".

Event goers also refreshed themselves with virgin Piña Coladas and Strawberry Daiquiris for a low price. The highlight of the evening was a Polynesian performance of authentic hula dancers, limbo contests, live drummers, fire dancing and the history of the South Pacific warrior. The event was not only fun, but educational for those who participated!

El departamento de Parques y Recreo importó las islas de Hawaii al "North Shore Park & Youth Center" el viernes 27 de junio. El evento "Loco Luau" consistió en tres horas de diversión al estilo Hawaiano. Hubo baile típico de Hawaii provisto por el "Hip Hop Workshop", juegos para los niños y presentaciones de baile por los niños del campamento de verano. Para añadir a la diversión, hubo juegos de máquina y los ancianos tuvieron una venta en su "Seniors' Bazaar".

Los residentes se refrescaron con piña coladas y daiquiris de fresas virgenes a un bajo precio. El momento culminante fue la presentación Polinesca de baile auténticos, competencia, tambores, baile con fuego y la historia del gue-rrero pacífico del sur. El evento no era solamente divertido pero también educacional para los que participaron.
