

**CITY OF MIAMI BEACH
COMMISSION ITEM SUMMARY**

Condensed Title:

A Resolution authorizing the Administration to issue Purchase Orders to Consolidated Parking Equipment, a sole source distributor of Federal APD Parking Equipment, for maintenance and service of revenue/access control parking equipment in City owned garages in the estimated annual amount of \$110,000.00.

Issue:

Shall the City Commission authorize the issuance of Purchase Orders to Consolidated Parking Equipment, the sole source local authorized distributor of Federal APD for maintenance of revenue/access control parking equipment in the estimated annual amount of \$110,000.00?

Item Summary/Recommendation:

The City of Miami Beach Parking Department has invested over two million dollars in Federal APD Parking Revenue Control Equipment. In an effort to have consistency in technology (hardware/software), reporting/auditing, and collection platforms, the City has chosen one system rather than blended systems throughout all of its parking facilities. This equipment is out of warranty (one year) and has been maintained over the last five years by Royce Parking Control Systems, Federal APD's previous local authorized distributor. Royce Parking Controls has terminated their agreement with the City of Miami Beach, effective August 1, 2005. Federal APD has licensed Consolidated Parking Equipment as an authorized distributor/service provider.

The Administration recommends approving the Resolution.

Total:		\$110,000.00

ANALYSIS

The City of Miami Beach Parking Department has invested over \$2M in Federal APD Parking Revenue/Access Control Equipment. In an effort to have consistency in technology (hardware/software), reporting/auditing, and collection platforms, the City has chosen one system rather than blended systems throughout all of its parking facilities. This equipment is out of warranty (one year) and had been maintained over the last five years by Royce Parking Control Systems, "Federal APD" local authorized service provider. Royce has since terminated their agreement with the City, effective August 1, 2005. Federal APD has named Consolidated Parking Equipment, a newly formed company, as their local authorized distributor of their parking revenue/access control equipment for the South Florida area.

CONCLUSION

The Administration recommends that the Mayor and City Commission adopt the attached resolution, approving the issuance of Purchase Orders to Consolidated Parking Equipment, an authorized local sole source distributor of Federal APD parking revenue/access control equipment for sales, services, maintenance, and repair of their equipment in the estimated annual amount of \$110,000.

Re: Federal APD Distribution

To Whom It May Concern

This letter is to announce that Consolidated Parking Equipment, Inc. is by contract, an authorized representative for the products of Federal APD in the South Florida market. Federal APD requires that all distributors meet certain criteria in terms of experience in the industry and with parking equipment in particular. Lawrence Oliva, the President, has a long history in many facets of the parking industry and will bring a unique perspective to the distribution of Federal APD equipment.

Federal APD is excited about this addition to our Worldwide Distribution Network.

Please contact Hank Connors with any questions.

Sincerely,

H.B. Connors
