## COMMISSION MEMORANDUM

TO: Mayor Matti Herrera Bower and Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager

DATE: December 10, 2008

SUBJECT: **REFERRAL OF A DISCUSSION ON OPTIONS FOR RECYCLING SERVICES**

The City has been working for the past several months with Miami-Dade County to establish the terms and conditions of a replacement Interlocal Agreement to provide recycling services for single family residents in the City. On Thursday, December 4, 2008, the City was able to reach a tentative agreement on terms and conditions to be included into the Interlocal and a companion Memorandum of Understanding for recycling services if the City chooses to approve an Interlocal Agreement with Miami-Dade County.

The City has also received an unsolicited proposal to provide recycling services from Waste Services, Inc. (WSI).

It is recommended that this subject be referred to the Finance and Citywide Projects Committee to discuss the options available to the City and to receive direction from the City Commission on how to proceed. At the Finance and Citywide Projects Committee meeting the terms and conditions associated with the Interlocal Agreement with Miami-Dade County can be reviewed, as well as the unsolicited proposal from WSI. The Finance and Citywide Projects Committee will be asked to provide direction on pursuing either the Interlocal Agreement, waiving competitive bidding to negotiate with a specific vendor, or issuing an RFP for recycling services independent of the County.
