Dear City Clerk Parcher:

Thank you for writing Governor Charlie Crist regarding the City of Miami Beach's recent resolution urging the Florida Legislature to equalize funding based on population to provide each region of the State of Florida, including South Florida, its fair share of state funding. The Governor appreciated receiving resolution No.2009-27002 and asked me to respond on his behalf.

The Governor realizes how vital it is that state and local leaders, like you and your colleagues, continue to put the best interests of their citizens forward. Your continued efforts and dedication to Florida are greatly appreciated.

Again, thank you for taking the time to write to Governor Crist. Your thoughts are very important to him.

Sincerely,
