

Transportation Improvements – Florida at Work

Indian Creek Drive, City of Miami Beach

Project Summary

Indian Creek Drive from Abbott Avenue to 71st Street is classified as an urban arterial roadway located in the North Beach neighborhood in the City of Miami Beach. This roadway provides a major connection between the North Beach neighborhood to the Middle Beach neighborhood. It is also a regional connection utilized by the coastal communities from the north to access the South Beach neighborhood of Miami Beach and also to access the City of Miami. Construction work will include milling and resurfacing, striping, and pavement markings.

Fast Facts
