

City of Miami Beach, Florida
Permit Application Checklist
Type: Temporary Pride Flag Permit

When applying for Temporary Pride Flag Permit, the following documents are required:

- Submit a completed Temporary Pride Flag Permit Application signed by the applicant.
- Provide a description of or a site plan or photographs identifying the location of the flag or flag pole.

The permit will only be valid for the month of April 2009, and then will automatically expire at mid-night of April 30, 2009.

Upon submittal of a completed application, the permit is granted for the month of April 2009.

Any subsequent installation beyond the month of April 2009 will require a separate permit and authority as per the City Code.

The permanent installation of a flag pole whether on private or public property, requires a Building Permit. This Permit is not a Building Permit, which is a separate permit and process.

For more information please contact Public Works Right of Way Management Section at 305.673.7080
