OFFICE OF THE CITY MANAGER

NO. LTC # 153-2009

LETTER TO COMMISSION

TO: Mayor Matti Herrera Bower and Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager *JM*

DATE: June 11, 2009

SUBJECT: Flamingo Park Tennis Courts

This Letter To Commission is intended to provide you information relating to damage to the Flamingo Park tennis courts from last Friday's severe storm. Following the storm, the Parks & Recreation Department assessed the conditions of the tennis courts at Flamingo Park. The clay courts sustained significant damage, including run-off of the clay, resulting in an uneven and unsafe playing surface. As a result, and to prevent any injuries due to the condition of the courts, all of the tennis courts were closed and are not available for play.

The Parks & Recreation Department contacted two companies that specialize in tennis court construction and refurbishment to obtain estimates on damage and cost for repairs. We are pending final estimates.

We will provide updates to you as additional information becomes available.
