CITY CLERK'S LETTER TO COMMISSION

TO: Mayor Matti Herrera Bower and Members of the City Commission
FROM: Jorge M. Gonzalez, City Manager 
DATE: July 10, 2009
SUBJECT: Reopening of Flamingo Park Tennis Center Courts

We are pleased to inform you that the first two banks of tennis courts (8 courts) at the Flamingo Park Tennis Center damaged as a result of the 50 year rain event of June 12, 2009, have been repaired and will reopen for play tomorrow morning at 7:30 A.M. Players at North Shore Tennis Center have been informed of this starting this morning.

The repairs have been challenged due to the rains but we are confident the contractor is doing his best to finish the remaining 9 courts as soon as possible under the circumstances.

Please advise if you have additional questions, comments or concerns.
