### **ADDITIONAL FUNDING ITEMS**

- Funding for the Erosion Control Project, based on the funding needs of the Army Corps of Engineers.
- Support Miami-Dade County's request for Beach Renourishment funding.
- Support Miami-Dade County's request for Venetian Causeway funding.
- Energy Efficiency Block Grant, CDBG & HOME, Urban Area Security Initiative, HMG, PDM.
- Monitor, report and advocate for full funding of budget allocations which fund social service programs provided by Miami Beach organizations.

### **ECONOMIC STIMULUS LEGISLATION**

- The Administration has identified 13 capital projects in the Capital Budget that, if full funding was available, would start construction within 90 days. Construction of these projects would contribute \$66 million into the economy.
- The Administration has also identified 14 capital projects that, if full funding was available, would start construction in between 90-180 days, providing an additional \$186 million to the local economy.
- The Administration has also identified \$30 million of spending on additional projects that could start before the end of 2009, and another \$186 million that would be "shovel in the ground" in 2010.
- Urge the Federal Government to offer low interest loans to municipalities for infrastructure projects.
- Urge Congress to create a backstop to the municipal bond market, similar as that created for commercial paper.
