

MIAMIBEACH

OFFICE OF THE MAYOR AND COMMISSION

MEMORANDUM

TO: Jorge M. Gonzalez, City Manager
Robert Parcher, City Clerk

FROM: Jorge R. Exposito, Commissioner

DATE: March 28, 2011

SUBJECT: Referral To the Sustainability Committee - Ethanol (E85) pumps

I would like to refer a discussion item to the Sustainability Committee - discussion regarding providing motivation for local gas stations to offer or install Ethanol (E85) pumps. Ethanol is a clean fuel on which many newer model vehicles that can use flex fuels operate. The nearest gas station to Miami Beach that sells E85 is on 86th and Biscayne in Miami Shores.

We trust that you will find all in good order. Should you have any questions, please feel free to get in touch with my aide, Barbie Paredes at extension 6457.

Best regards,

JRE/bp
