TO: Mayor Matti Herrera Bower and Members of the City Commission

FROM: Mark Weithorn, Transportation & Parking Committee Chair

DATE: May 11, 2011

SUBJECT: Alton Road Construction Project

Dear Mayor and Honorable City Commission:

The Transportation and Parking Committee met on May 2, 2011, and were provided with information on the Alton Road Construction Project. The committee would like to share this information with you.

Florida Department of Transportation has presented the Transportation & Parking Committee with the new parking scheme for Alton Road, between 5th Street and Michigan Avenue.

As a result of redesigning the sidewalks, there will be a loss of 100 parking spaces, broken down as follows:

- 86 spaces will be lost on Alton Road
- 10 spaces will be lost on Sunset Drive
- 4 spaces will be lost on 20th Street

Presently, there is a total of 268 spaces in all of these areas. The committee is attempting to find out how many parking spaces will be lost on side streets along Alton Road, as well as estimating the amount that will be lost in parking revenue.

Sincerely,

Transportation and Parking Committee
