TO: Mayor Matti Herrera Bower and Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager

DATE: May 31, 2011

SUBJECT: Status Update- Scott Rakow Youth Center Ice Rink

The intent of this Letter to Commission is to provide you a status update of the closure of the Scott Rakow Youth Center Ice Rink.

On Thursday, May 12, 2011, a piston broke on a compressor at the ice skating rink causing the ice to melt and forcing the Parks and Recreation Department to close the rink shortly thereafter. Property Management immediately began working closely with Parks and Recreation to rectify the problem.

All necessary parts to complete the repair were immediately procured and are estimated to arrive on June 9<sup>th</sup>, 2011. The estimated re-opening of the ice skating rink is Monday, June 13, 2011, our first day of Summer Camp.

Please advise if you have questions, comments or concerns.
