SUBJECT: PORT OF MIAMI TUNNEL PROJECT (POMTP) UPDATE

Dear Mayor and Honorable City Commission:

The Transportation and Parking Committee met on June 6, 2011 and were provided with the below update on the Port of Miami Tunnel Project.

The tunnel boring machine for the port tunnel is presently on a ship headed to Miami and should arrive later this month. Once here, the machine will be disassembled and barged over to Watson Island. There will be some lane closures when parts are craned over the McArthur Causeway, but these closures will occur at night.

Sincerely,

Transportation and Parking Committee
