TO: Mayor Matti Herrera Bower and Members of the City Commission

FROM: Commissioner Michael Gongora, Sustainability Committee Chair

DATE: June 22, 2011

SUBJECT: Sustainability Committee Motions

Dear Mayor and Honorable City Commission:

The Sustainability Committee met on May 17, 2011, and passed the below motion regarding alternative transportation.

The Sustainability Committee is recommending that the Inherently Low Emission Vehicle (ILEV) class of the Hertz Connect's fleet or any other car-sharing program have a minimum EPA rating of six (6).

The Sustainability Committee met on June 21, 2011, and passed the below motion regarding solid waste management.

The Sustainability Committee is recommending that the City review the current recycling bins located in the public right-of-way, parks, and beach entrances and provide recommendations on how to improve the appearance.

As an Advisory Committee, we sincerely ask that consideration be given to the above motions.

Sincerely,

Sustainability Committee
