

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # **055-2012**

LETTER TO COMMISSION

TO: Mayor Matti Herrera Bower and
Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager

DATE: February 23, 2012

SUBJECT: **SOUTH BEACH ANIMAL HOSPITAL/MOTORCYCLE PARKING - UPDATE**

The purpose of this LTC is to report back to the Mayor and City Commission regarding an inquiry by Mayor Bower at the February 8, 2012, City Commission Meeting. Mayor Bower inquired about motorcycle parking spaces that were recently installed in front of the South Beach Animal Hospital, located at 1874 West Avenue. The hospital had concerns regarding their customer loading needs and the location selected for the motorcycle spaces.

Parking Department staff contacted the South Beach Animal Hospital and met with their representatives on site. This resulted in an amicable and expedited resolution which addressed the hospital's needs and salvaged two motorcycle parking spaces that were subsequently relocated nearby. The South Beach Animal Hospital is now satisfied with the parking configuration fronting their property.

Moving forward, the Parking Department has established an acknowledgment form which will be executed by the owner or authorized representative of the property fronting the proposed location slated for motorcycle/scooter parking spaces prior to their installation.

If you should have any further questions, please contact Saul Frances, Parking Director at extension 6483.
