Flamingo Park Holtz Tennis Center Project Construction Alert

Miami Beach, FL – Starting Wednesday, May 9, 2012, the contractor building the Flamingo Park Holtz Tennis Center Facility Project will commence construction activities on the north half of the courts. The north courts will be closed through fall 2012. The project aims to improve the former home of the Junior Orange Bowl Tournament.

The projects includes:

- * Demolishing and replacing the existing Tennis Center and 17 tennis courts
- * Installing new lighting
- * Installing new drainage.

The project is expected to be completed in about 12 months.

The work and the contractor's staging area will be contained and fenced off on the courts being reconstructed. Pedestrian access will be maintained throughout the area at all times. Construction work and road closures will occur during daytime hours, from 8 a.m. to 6 p.m., Monday through Friday. Any extended work hours, weekends and/or holidays are subject to City approval and HOA notification.

Large machinery and equipment will be hauled in to the area; any impact to roadways adjacent to the park will be notified to the surrounding neighborhood. Please note that this schedule may change due to extreme weather conditions or other unforeseen circumstances.

For more information, please contact Alicia Cuervo, EI, at 954-797-0410 or via email at Alicia@Pirtleconstruction.com
