FROM: Mark Weithorn, Transportation & Parking Committee Chair

DATE: July 2, 2012

SUBJECT: FDOT Project – Collins Ave 5th Street to Lincoln Road

Dear Mayor and Honorable City Commission:

The Transportation and Parking Committee met on July 2, 2012, and passed the below motions regarding the Collins Avenue project by the Florida Department of Transportation.

The Transportation & Parking Committee accepts the recommendation made by the City on behalf of the Collins Avenue Improvement Association, to enhance Collins Avenue by placing bulb-outs throughout the mid-street areas of the project to accommodate for lighting and pay on foot parking stations.

Furthermore, the Committee passed a second motion that due to the loss of parking for this project which will reduce revenues to the City, the committee asks that the City conduct an analysis to show how much revenue has been and will be lost with all the street improvement projects.

As an Advisory Committee, we sincerely ask that consideration be given to the above motions.

Sincerely,

Transportation and Parking Committee
