

# Central Bayshore/Lake Pancoast Construction Update

Monday, April 1 to Friday, April 1, 2013

## Central Bayshore

- **West 40 Street between Chase Avenue and Royal Palm Avenue**  
Installing curb and gutter along the roadway. On-street parking is restricted.

**Pump Station installation is underway at the following locations in Central Bayshore. Expect heavy machinery, heavy excavation and vibration in and around the work zone. The road is open for local traffic only:**

- **West 34 Street from Sheridan Avenue to Pine Tree Drive**  
Excavation work for drainage installation
- **Chase Avenue from Alton Road to West 37 Street**  
Drainage installation continues
- **West 28 Street from Prairie Avenue to Fairgreen Drive**  
Work is on hold until further notice

**Water service relocations and connections are underway at private properties in the following area. This work requires direct coordination with property owners.**

- West 40 Street from Garden Avenue to Meridian Avenue

## Lake Pancoast

- **25 Street between Flamingo Drive and Flamingo Place**  
Fire lines will be installed in this area.
- **West 24 Street from Pine Tree Drive to Lake Pancoast Drive:**  
Reconstruction work continues in this area. On-street parking is open.
- **Flamingo Drive from West 24 Street to the Collins Canal:**  
Installation of drainage wells will continue as part of the ongoing pump station work. Expect increased noise, vibration and heavy machinery, and oversized drainage structures in and around the work zone. Residents along Flamingo Drive closest to the Collins Canal are advised to secure their belongings placed on shelves or hung on walls. The contractor will monitor vibration levels, as needed, to ensure compliance with the Florida Department of Transportation regulations

**Please observe the NO PARKING, ROAD CLOSED and maintenance of traffic signs along the road. Vehicles parked will be towed at the owner's expense.**

***The construction schedule is subject to change due to weather or other unforeseen circumstances.***

## Traffic Flow & Hours of Operation

- Hours of operation are from 8 a.m. to 6 p.m., Monday through Friday
- Access will be maintained for local traffic only. Pedestrian access and access to entrances will be maintained at all times in areas that do not pose a safety risk or restrict construction activities
- Mail deliveries and trash pickup will continue
- Please use caution when traveling through the area and obey all roadway signs
- All Zone 11 parking decal holders will be allowed to park in the municipal metered on-street parking spaces on 22 and 23 streets, between Park and Liberty avenues, including the two parking lots on 23 Street (P-51 and P-52)

**We thank you for your cooperation. For more information, or to report events or special accommodations, contact the Project Public Information Officer, Monica Diaz at 786.531.3798 or via email at [Monica@ISCprgroup.com](mailto:Monica@ISCprgroup.com).**
