SUMMARY

Experienced senior legal and business executive with 30 years experience in the media, cable, internet, technology and telephone industries. Proven track record of bringing strategic, operational, legal and regulatory expertise to generate dramatic improvement to the bottom line in regulated and competitive markets. Record of swift decision-making and sound judgment, both on the expense and revenue sides, functioning in lead capacity negotiating strategic deals and for effective crisis management. Recognized for taking leadership roles in solving complex problems, creating innovative concepts, and having established a national reputation for credibility and integrity among industry leaders, government officials, analysts and the media.

EXPERIENCE

WorldExtend Holdings, LLC, Mt.Laurel, N.J.

2005-Present

CEO of developer and distributor of managed application publishing and secure remote access solutions for business and consumer markets. WorldExtend has revolutionary products to deliver to a business a low cost software-based VPN and application publishing, and has developed a cloud based desktop computing service. www.worldextend.com.

Mobilactive Media, LLC.

2006-2011

Founder and CEO of mobile marketing and advertising agency that develops, markets, and licenses state-of-the-art technology, content and applications, making interactive advertising and video programming possible across multiple media platforms and opening up a whole new interactive audience to advertising campaigns and programs.

BIENSTOCK CONSULTING, LLC, Miami, FL

2004-Present

Founded practice to provide strategic and operational advice to media, technology, advertising, real estate and telecommunications companies involved with video, data and/or voice applications and products in the consumer market. He also manages and advises other ventures relating to digital media platforms, such as Video-on-Demand, digital video recorders, broadband and mobile services, and advertising models on those platforms. Facilitated and negotiated ground-breaking commercial deal between Comcast Cable and TiVo, creating a new premium DVR service and a new advertising platform for the cable industry. Currently, he is in a venture to produce two major motion pictures with Airplane! and Naked Gun producer and writer, David Zucker. Advisor to web based WatchIt.com, mrqe.com and flicktweets.com, providers of content search engines and aggregated professional and social media based movie reviews. Works with companies serving residential and commercial real estate projects.

COMCAST CABLE, Philadelphia, PA

2001-Present

Largest provider of cable, high speed data and competitive telephone service in the United States; representing over \$22B in revenue, 60,000+ employees, and 5000+ franchises in 41 states, as well as telephone service in 21 states. Consultant to Comcast from late 2004-Present.

Consultant

Since 2004, consultant to Comcast on legal and regulatory issues. Currently under an employment agreement through 2015, but have no duties or restrictions on accepting other employment.

Executive Vice President and General Counsel

Integral part of the senior management team, reporting to the President, supervising multiple lines of business (Video-On-Demand, Comcast University, State and Local Government Affairs, Law Department, Claims Management, Comcast Town Hall network), and over 750 employees. Generally focused on the acquisition, integration and turn-around of the former AT&T Broadband cable systems. Advised strategically on customer service, sales and marketing, programming content across platforms, and the launch of new products and services.

ACCOMPLISHMENTS

Adept strategist with strong negotiation skills, swift problem solving acumen, industry knowledge and integrity.

- ◆ Achieved a positive multi-billion dollar impact for Comcast through successful litigation resolution, including the Starz and CSG disputes. Personally managed all strategic litigation for Comcast Corporation and Comcast Cable. In the first year of the merged company, the resolved cases generated approximately \$150 million in unanticipated revenue, eliminated over \$1 billion in reserves, and overall saved more than \$2 billion.
- ◆ Successfully resolved the @Home bankruptcy involving all key players in the cable industry. Threatened with the shutdown of Comcast's high speed data (HSD) platform, Comcast's then fastest growing business segment, negotiated a resolution which kept Comcast service fully activated, without interruption, while the company constructed a new network. As a direct result, in three years, the HSD business grew from fewer than one million to almost seven million customers.
- ◆ Secured, unprecedented 3,000 franchise transfers for the AT&T Broadband acquisition in six months, advancing the closing date to less than a year. Negotiated resolution of several highly political and controversial franchise disputes, expediting the closing of the ATTB deal.

Effective change agent, demonstrating strong operational expertise, decisive decision-making ability, as well as creative, marketing and functional knowledge.

- ◆ Played a key role in the evaluation, planning and execution of the AT&T Broadband systems and businesses integration strategy. Evaluated management and financial performance of each AT&T business; including operations, competitive marketing and budgeting processes. Active in strategic aspects of new product deployment, commercial and residential sales in the multi-dwelling unit (MDU) market, competitive marketing in all business lines, customer service and programming. Achieved numerous significant accomplishments that enabled the successful integration and optimization of the financial performance of AT&T Broadband. Widely considered one of the most successful mergers in U.S. business history.
- ◆ Restructured lines of business, from revenue producers to new product deployment strategic alliance adjuncts by integrating the Digital Media Center business into Comcast's video business.
- ◆ Involved in the stabilization of the local telephone business acquired from ATTB (currently the largest competitive telephone provider in the U.S.).
- ◆ Led the development and implementation of Comcast's VOD business, a key driver in the cable industry, including the strategic and operational development of the VOD platform, including coordinating the marketing, programming, technology, programming investment, advertising and distribution functions within the company. Key negotiator of content deals with motion picture studios, VOD programmers, and others, for television, movie and specialty content. Advanced the creation of new revenue models for VOD, including advertising, promotional activity and retail sales. Played a key role, often as creator, in the origination of new VOD content areas; such as children's programming, religious, educational, art, local, governmental and public programming.
- ◆ Strategically involved in the deployment of Digital Video Recorders (DVRs), Voice-Over-IP telephony and Comcast's High Speed Data service (currently the largest broadband provider in the U.S.).

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # 043-2013

LETTER TO COMMISSION

TO: Mayor Matti Herrera Bower and Members of the City Commission

FROM: Kathie G. Brooks, Interim City Manager

DATE: February 11, 2013

SUBJECT: Cultural Arts Council Vacancies

Three (3) members of the Cultural Arts Council (CAC) are up for reappointment, their terms having expired on 12/31/2012: Beatrice Hornstein, Daniel Novela, and Marjorie O'Neill-Butler. At its regular meeting on January 3, 2013, the CAC voted unanimously to recommend that these three members be reappointed.

One seat has remained vacant since 12/31/11. The CAC respectfully requests that the Mayor and Commission fill this seat as soon as possible. Adhering to the guidelines set forth in the Ordinance establishing the CAC, a Nominating Committee was convened on January 17, 2013 to review and screen interested candidates for this position. The City Clerk's Office provided the Nominating Committee with nine (9) applications for the vacant seat, including two (2) applicants who were vetted and recommended by the CAC for this seat last year, Oliver Oberhauser and Elizabeth Pines. All of the applicants were invited via e-mail to attend the Nominating Committee meeting, but only one attended, Ms. Monica Minagorri.

Pursuant to Section 2-55(d) of Ordinance No. 97-3075, as amended, establishing the Miami Beach Cultural Arts Council (CAC), "vacancies on the Council shall be filled by the Mayor and City Commission. In filling any vacancy, the Mayor and City Commission may select a replacement Council member from a list of three (3) candidates, which shall be submitted by the remaining members of the Council." Further, "the individual members of the City Commission may supplement the Council's suggested list with additional names of candidates or, if neither the candidates on the Council's suggested list nor the additional names submitted by the individual members of the City Commission are approved, the Council shall submit an entirely different list" for consideration.

The Nominating Committee unanimously agreed to submit Monica Minagorri, Oliver Oberhauser and Elizabeth Pines for consideration by the Mayor and Commission for the vacant CAC seat. The Committee's recommendation was approved by the CAC at its regular meeting on January 31, 2013.

VOLUNTEER: EXPERIENCE

Committee for Quality Education Board Member

August 2009 to the present Miami Beach, FL
The Committee for Quality Education was established in 1999 to guide the City's efforts toward providing the best education possible in Miami Beach public schools. During my participation, the City of Miami Beach in partnership with the Miami Dade County Public Schools implemented the International Baccalaureate program to all citywide schools, and we worked to alleviate traffic and safety issues and add a nurse for first response services to our schools that have only part time or no service at all.

North Beach Elementary PTA (Treasurer and President)

August 2006 to June 2009 Miami Beach, FL
We implemented an after school enrichment program that has become highly successful and has been a great source of revenue to the school. We improved the school's technology infrastructure by bringing Smart Boards to every classroom, updating the audio system for the auditorium and supporting the music, arts and physical education classes with new instruments, arts supplies and sports articles.
