LETTER TO COMMISSION

TO:

Mayor Philip Levine and Members of the City Commission

FROM:

Jimmy L. Morales, City Manager

DATE:

01/03/2014

SUBJECT: Feeding South Florida with Congresswoman Debbie Wasserman Schultz

The purpose of Letter to Commission (LTC) is to provide information of an upcoming event with Congresswoman Debbie Wasserman Schultz.

On September 3, 2013, the City of Miami Beach, in conjunction with Congresswoman Debbie Wasserman Schultz and Feeding South Florida, hosted an event that provided food to over 800 food insecure residents. The Mayor, Commissioners, and Administrative Staff, alongside the Congresswoman, all took part in distributing food to these residents.

Due to its great success, the Congresswoman has asked the City of Miami Beach to host another Feeding South Florida event.

On January 21, 2014, the City will be distributing food to Miami Beach residents who are food insecure. This event will take place at the North Shore Bandshell on 7275 Collins Avenue from 9:00 am to 11:30 am. Distribution will begin at 10:00 am. We invite the Commission to join us for this Feeding South Florida event.
