NO. LTC # **180-2014**

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy Morales, City Manager

DATE: May 29, 2014

SUBJECT: **RESULTS FROM BEACH FRONT RESTROOM PORTER DEMONSTRATION DURING MEMORIAL DAY WEEKEND**

The following Letter to Commission is presented to provide you with initial results from a restroom porter demonstration performed during Memorial Day Weekend.

In preparations for the highly anticipated Memorial Day weekend, the Public Works Property Management Division got approval from the City Administration to proceed with a beachfront restroom porter demonstration project to help maintain cleaner restroom facilities. Services were rendered by United, a City contracted janitorial company, consisting of one dedicated porter per building at 3rd, 10th, 14th and 21st Streets, from 7AM to midnight.

The demonstration was found to be successful and as a result, the City Administration is going to extend these services, during weekends and holidays through the remainder of the 2014 fiscal year. The cost associated with these expanded services will total approximately \$65,000 from June through September. During the next four (4) months, the Administration will evaluate the program and make a recommendation for the next fiscal year, whether to continue as is, further expand or reduce the program.

Should you have additional questions, please do not hesitate to contact Eric Carpenter at (305) 673-7080, ext: 6012.
