

MIAMIBEACH

OFFICE OF THE CITY MANAGER

NO. LTC # *222-2014*

LETTER TO COMMISSION

TO: Mayor Philip Levine and Members of the City Commission

FROM: Jimmy L. Morales, City Manager

DATE: June 27, 2014

SUBJECT: **Completed Improvement – Flamingo Park Baseball Stadium Scoreboard**

The Parks and Recreation Department is pleased to inform you the Flamingo Park Baseball Stadium Scoreboard project has been completed. This project included the purchase and installation of a new state of the art scoreboard with a wireless control panel in the City colors and logo. The previous scoreboard was over twenty (20) years old and was not operational. This new scoreboard will provide residents, the Miami Beach Senior High School Baseball Team and all parties who utilize our stadium a much-needed upgrade that will be enjoyed for many years to come.

Should you have additional questions, please contact John Rebar at (305) 673 -7730.
