Miami Beach Commission Vows to Reduce Traffic at Light Speed *-- Mayor and Commission vote to expedite process --*

Miami Beach, FL: Staying true to dedication to reduce traffic in Miami Beach, at today's commission meeting the Mayor and Commission unanimously voted to expedite the already fast-tracked procurement process to bring a light rail/modern street car to Miami Beach. The amended commission item modifies the process to allow for 120 days to rank proposers and an additional 60 days to enter into an interim agreement with the top ranked proposer.

Estimated time for completion of the project is two years from start of construction.
