DATE: January 28, 2009

SUBJECT: **A Referral To The Neighborhoods/Community Affairs Committee To Discuss the Potential Operational Issues Related To The Newly Reconstructed South Pointe Park.**

The newly reconstructed South Pointe Park is nearing completion and in anticipation of the park's reopening the Administration requests a discussion be held at the Neighborhoods/Community Affairs Committee meeting to discuss and receive direction on operational issues, including but not necessarily limited to, intensity and frequency of special events in the park, dogs on and or off leash in the park, concessions and facility rentals, the maintenance and security plan, recreational programming and use of the recreation facility, public access, hours of operation, fishing etc.

As the new South Pointe Park is going to be a spectacular destination that will be enjoyed by our residents, tourists and day guests, the Administration respectfully requests this discussion be held and direction on these issues be provided.
