

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # 320-2006

LETTER TO COMMISSION

TO: Mayor David Dermer and Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager *For JMG/RCM Midaugh*

DATE: December 28, 2006

SUBJECT: **63rd STREET FLYOVER LANE CLOSURES**

Attached please find a Notice from FDOT regarding planned lane closures for portions of the 63rd Street Flyover Project Area.

The first scheduled closure is Friday, January 5, 2007, at 9:00 p.m. and will run through Monday, January 8th until approximately 6:00 a.m. In this closure, east bound traffic over the 63rd Street Bridge will be closed.

On the following weekend from Friday, January 12th at 9:00 p.m. until Monday, January 15th at 6:00 a.m. there will be a second lane closure. In this closure both lanes of traffic over the 63rd Street Bridge will be closed for public access. In this particular closure, specific provisions are being made at the request of the City to enable Police and Fire vehicles to cross the bridge at all times so as not to interfere with the provision of emergency services.

Both of the closures are necessary in order to undertake the appropriate reconstruction of the intersection at 63rd Street and Indian Creek. No other alternatives are available to the contractor.

The City has met with FDOT in order to assure that Police and Fire have ready means of contact and coordination with FDOT and the project contractor. The City is also supplementing the normal FDOT community outreach to assure that broad notice of these two closures is provided to our community. The City will also be coordinating with FDOT the appropriate placement of advance VMS warning signs so as to allow drivers to safely detour the area without added inconvenience.

If you have any questions, please do not hesitate to contact me or Assistant City Manager, Robert C. Midaugh.

NOTICE **63rd Street Flyover & Bridge Projects**

Roadway / Lane Closure

On Friday, January 5th, 2007, beginning at 9:00PM, thru Monday, January 8th at 6:00AM the contractor will begin the removal and replacement of the curb and gutter at the southwest corner of 63rd street (State Road 907) and Indian Creek Drive, (State Road A1A). The 63rd Street Bridge will be closed to eastbound traffic.

Eastbound traffic on 63rd Street (State Road 907) will be detoured as follows.

- From 63rd Street (State Road 907) (eastbound) to Lagorce Drive.
- From Lagorce Drive (southbound) to merge with Pine Tree Drive.
- From Pine Tree Drive (southbound) to 41st Street.
- From 41st Street (eastbound) to Collins Avenue (northbound).

To assist in this phase police officers will be stationed at the following locations.

- 63rd Street (State Road 907) and Lagorce Drive.
- Pine Tree Drive and 41st Street.

Please note that bad weather or other unforeseen circumstances could impact this schedule.

Put Safety First!

Your safety is our highest priority.

Please remember to drive carefully through any construction zone.

- Seek alternate routes whenever possible.
- Obey all traffic signs and watch for Electronic Message Boards that provide you with important project information.
- Pedestrians and bicyclists should stay away from any construction area.

For more information, please contact Ural Morris, Public Information Specialist 786-489-0389.

NOTICE **63rd Street Flyover & Bridge Projects**

Bridge Closure

On Friday, January 12th, 2007, beginning at 9:00PM, thru Monday, January 15th at 6:00AM the contractor will begin the milling and replacement of the asphalt base at the intersection of 63rd street (State Road 907) and Indian Creek Drive (State Road A1A). The 63rd Street Bridge will be closed to (eastbound and westbound) traffic.

Southbound traffic on Indian Creek Drive (State Road A1A) will be detoured as follows.

- From Indian Creek Drive (State Road A1A) (southbound) to 63rd Street (State Road 907)
- From 63rd Street (State Road 907) (eastbound) to Collins Avenue. (One lane will be open southbound on Collins Avenue from 63rd Street (State Road A1A) to the 5800 Block.)
- From Collins Avenue (southbound) to merge with Indian Creek Drive (State Road A1A) at the 5800 Block.
- From Indian Creek Drive (State Road A1A) (southbound) to 41st Street (eastbound).

Eastbound traffic on 63rd Street (State Road 907), west of the bridge, will be detoured as follows.

- From 63rd Street (State Road 907) (eastbound) to Lagorce Drive.
- From Lagorce Drive (southbound) to merge with Pine Tree Drive.
- From Pine Tree Drive (southbound) to 41st Street.
- From 41st Street (eastbound) to Collins Avenue (northbound).

To assist in this phase police officers will be stationed at the following locations.

- 63rd Street (State Road 907) and Indian Creek Drive (State Road A1A).
- Collins Avenue and the 5800 Block intersection.
- 63rd Street (State Road 907) and Allison Drive.
- 63rd Street (State Road 907) and Lagorce Drive.
- Pine Tree Drive and 41st Street.

Please note that bad weather or other unforeseen circumstances could impact this schedule.
