Subject: **EVALUATION COMMITTEE RELATED TO REQUEST FOR PROPOSALS (RFP)

COMMUNICATIONS SERVICES**

The purpose of this LTC is to update the Mayor and City Commission on a Request for Proposals (RFP) No. 05-06/07, which seeks to provide wide area network (WAN) communications services. Two proposals were received.

The City is seeking (WAN) network services that will allow the successful and reliable transmission of information in different electronic forms to/from all of its locations.

I am considering appointing the following individuals to serve on the Evaluation Committee on the above subject.

Derrick Arias, IT Director- City of Sunny Isles Beach
Gerald Cunningham, Sr. Network Administrator - CMB
Georgina Echert, Asst. Director, Finance - CMB
